Landon Winery (Greenville) – Wine Server

Employment Type
Part-time

Description
We're not looking for robots who can just pour wine and smile. We're looking for people who can own a room, tell a story, and make guests feel like they just found their new favorite hangout.

Our tasting rooms are fun, high-energy, and sometimes a little chaotic (in the best way). Guests come for the wine, but they stay for you.

What This Job Really Is

- Pouring award-winning wines with personality (not a script).
- Talking to strangers like they're old friends.
- Hustling when it's slammed, joking when it's chill.
- Doing the unglamorous stuff (polishing glasses, cleaning tables, scrubbing a restroom) without losing your cool.
- Making sure every guest leaves happier than when they walked in.

Who Thrives Here

- People who like people (seriously, if you don't, this isn't for you).
- The ones who can read a room and match the energy.
- Anyone who thinks wine should be fun, not pretentious.
- Quick learners who don't get flustered when three tables need you at once.
- The reliable kind, and the kind who's fun to work next to on a Saturday night.

Minimums

- 21+ years old.
- Can handle a POS system (or learn fast).
- Comfortable upselling without being pushy.
- Available evenings and weekends, including Music Bingo Wednesdays and Uncorked Thursdays.

Why Work Here?
Because we don't do boring. You'll learn about wine, meet incredible people, and be part of a team that knows how to work hard and have fun, as part of the growing Landon Winery family across North Texas.

Apply only if: you can bring energy, personality, and hustle.
